

Dear Ms Pidatata

8/28/05

I write you in hopes that you can assist me with a problem I'm having at FCI McKean. I don't want to take too much of your time trying to explain my situation when after a brief explanation if you need I can forward you documents as to my complaint. Ms Pidatata I'll be as brief as I can, On May 27, 2002 after four days of complaining about a pain in my chest and after being thrown out of medical services by Mr Montgomery I was rushed to the Bradford Regional Hospital and stayed there for 8 days after being diagnosed with bacterial pneumonia. On August 12, 2003 I was diagnosed positive with *Staphylococcus aureus* that was determined by an outside doctor to be related to my prior May 27, 2002 pneumonia. I was denied treatment for this infection and filed a complaint in the Western District of Pennsylvania after exhausting administrative remedies. This fueled anger towards me by FCI medical staff here at McKean.

On March 10, 2005 I was placed in segregation for an alleged food strike along with over 40 ~~the~~ other inmates. On May 19, 2005 after the SIS determined by two informants that I was making copies of a letter I never seen as to this alleged food strike I was given an incident report. I was at school on Feb 10, 2005 the day of the alleged food strike took action.

I along with other inmates have been placed on a 10 month Pilot Program here at FCI McKean that doesn't exist. The warden here refuses to show us a memorandum
Exhibit I

Program Statement in which in the 28 CFR he is given the Authority to exercise such a program. In my four years here at FCI McKean out of (11+) eleven plus years incarcerated I have completed more than 9 classes with certificates and was scheduled to graduate on August of 2005 from my Culinary Apprenticeship. I have been in eleven plus years been involved in a food strike or group demonstrations. I believe I was retaliated against for filing a complaint as to FCI McKean Medical Personal. The more important issue here is how FCI McKean will force me to be here for ten months on a program that doesn't exist which by then I'll have six months for a halfway house and won't be transferred but instead force to remain in Segregation for a total of close to (20) twenty months. This is cruel and ~~Unusual~~ Unusual punishment. I trust you can assist me in this matter and if you need any papers they can be forwarded to you.

Sincerely
E.S.
